1. Roane-Jackson Technical Center Administrative Council (5/16/2019)  
Met on May 16 to approve the contractor for the summer SBA-funded work on the sewer system and some classroom additions.  
Still expecting to need a new welding instructor in the fall, but nothing is official just yet.

2. Spencer Middle School Planning Committee (5/16/2019)  
Attendees put together a long wishlist for the new middle school, some of which included having a solid CTE Program, and having collaborative spaces (work / project spaces). We are looking to visit other schools this summer for ideas/ In September, the SBA requests a basic submission to let them know you will be presenting your request in October/November. Thrasher will provide some sort of renderings/drawings on building, classrooms, collaborative spaces, etc.

**Superintendent's Remarks**

1. The last day of school for students is on Tuesday, June 4th
2. Commencement at Roane County High School is on Friday, May 31st.
3. What was anticipated to happen in legislature may not happen. Until decisions are made, we are unsure what will happen. Budget has been approved and should be published by the State Department in the next couple of weeks.
