Reports of Committees

Superintendent's Remarks

We will be taking over the fingerprinting site for Roane County, which was previously at Roane General Hospital. This is the fingerprinting that the State Police does for education licensure, healthcare licensure, and DHHR. Our staff will be operating the equipment and we will receive \$3 for each.

First Neighborhood Bank has requested to use the Raider logo on specialty checks. We get \$6 per order.

We received a new quote from the Cincinnati Flooring on the Spencer Middle School Gym flooring project. It was the same amount they quoted us last year, which was \$123,000 for the entire wood floor, overlaid.

The CEFP Committee met prior to this meeting. Also, Thrasher updated us on summer projects. We are looking at the paving projects at SMS, WEMS, and SES which address the issues with traffic flow, low lighting, and the absence of markings/signage.

As for SES, we've looked at various way to expand that space. They are going to look at the drainage at the top where the cemetery is since there seems to be some water coming out. They will also be working on some concrete out there for the Safe Schools entrance.

At SMS, we are looking to expand the upper parking lot and look into working on the gravel lot in the back.

For Safe Schools Entrance at RCHS, there are plans to convert rooms 3 and 4 including office space for two secretaries. The conference room will be up front as well. Students will have a waiting area separate form the public. There will also be another restroom and data closet.

For SES, we will move the assistant principal out of the front office area and open up the work area while restricting the traffic flow.

Adjournment

1. Adjourn until the next regular meeting on Thursday, February 27, 2020, at 6:00 pm at Roane County High School.

Motion by Eileen Richardson and seconded by James Minney to approve. Motion carried.
