1. Student Achievement

Tomorrow is the last day of our 2019-2020 School Year. We are still awaiting \$837,000 in funding under the ESSERF program, but we have been told that we should receive a state application soon so we can start receiving grants.

Our plans through the Summer rely heavily on this funding. We plan to have training our teachers to provide distance learning that is adaptable according to the needs of the students. We are planning to hire about 12 of our teachers to work through the summer as Programmatic Lead Teachers that could help with the planning and push the training out to the rest of the teachers when school starts up again.

Due to the State wanting to push more funding towards mental health, we plan to extend some of our Student Support services through the summer with our School Social Worker and look to find a Licensed Therapist. We have not found a provider just yet.

With so many issues with COVID-19, it is difficult to predict how things will go, but we will have to plan and adapt to the situation that is presented.

2. Positively Charged

This week is Senior Week. Last night we had our Senior Salute program on WVAH to recognize our graduating class. The City of Spencer will be hosting a parade at 5:00 tomorrow night. They will then proceed to the high school for the Senior Showcase and issuing of diplomas. We also hope to hold somewhat of a traditional graduation ceremony.

This Summary Statement of Superintendent Evaluation for Dr. Richard Duncan was given on May 28, 2020:

In accordance with WV State Board Education Policy 5309 and RCS Policy 121, the members Roane County Board of Education have completed their evaluation of Dr. Richard Duncan for SY 2019/20.

Board members were provided a WV State Board approved evaluation tool consisting of 56 criteria points across 9 separate categories, along with both the County Board and the Superintendents goals for 2019/20. Dr. Duncan also provided a narrative response to these goals.

Each board member independently completed an evaluation document. Based on those responses the Board President compiled one aggregate report to whole Board for discussion of the Superintendent's strengths and weaknesses, as well as the Board's own performance as the public body ultimately charged with the educational responsibility of this County.

During this formal evaluation the Roane County Board of Education found Dr. Richard Duncan to have exceeded and/or met the standards set forth in the evaluation tool. Improvement in future performance for both the Superintendent and the Board were also part of the discussion. Changes to terms, benefits, or salary were not discussed as Dr. Duncan's contract was not due for renewal in 2020.

Paving projects haven't started just yet. The lighting has started at WEMS with new poles. Paving should start once that is completed.

We should soon have a new State Superintendent. There are just 3 finalists and should be decided at the meeting on June 4th or June 10th.

Senior activities take place tomorrow. The parade will start here at 5:00 and we will head over to RCHS for the Senior Showcase.
