### **Reports of Committees**

#### **Superintendent's Remarks**

The state board meeting is on Wednesday and we continue to look for further guidance. Considering the change orders, the SES parking lot is currently being milled. The WEMS parking lot has already been milled and LED lights have been placed. There will be 3 days of paving to start soon and will follow with the striping before they move to the SMS parking lot. The safe school entrances are still waiting on materials to be shipped, due to a backlog with the manufacturer, but we anticipate finishing on-time.

We have had weekly meetings with Programmatic Lead Teachers to discuss our plans for the Fall. We are trying to determine the resources that will be needed, which of these resources can be shared, and what to include in kits that we are building for distance learning and having the ability to pull them back to in-person instruction when we have the opportunity. School and county shut downs are being made locally now and we're fortunate that Roane County has done fairly well with COVID-19. We hope this continues

1. Adjourn until the regular meeting on Thursday, July 23, 2020, at 6:00 pm at Roane County High School.
