**Presentations**

**1. Positively Charged**

We are finishing up the 2nd doses of the vaccine in the age ranges for 40 and 50 . About 40-45% of our staff will be fully vaccinated after tomorrow. For any staff members that are still interesting in getting vaccinated, they can now go to the [vaccinate.wv.gov](https://vaccinate.wv.gov) to register and select that you are an educator to be given a priority. We have moved to green with positivity rating at 2.5%. We hope to continue doing well in Roane County.

**2. Public Participation**

Christina Slater, RCHS parent, expressed concerns about distance learning classes.

**3. Student Achievement**

During the first 9 weeks, we had a large number of failures in distance learning, and the second 9 weeks have proven to be similar. Though distance learning has had much of the attention this year, we still need to remember that our in-person learners are also doing poorly and still need to focus on that. Overall, we hope that grades will improve now that we have brought back an additional 150 students to in-person learning, and further professional development is being offered to teachers for improvements.

### **Reports of Committees**

#### **Superintendent's Remarks**

The legislative session has begun. Charter schools and ESAs are a big topic of discussion. They may allow 10 charter schools across the state and even allow virtual charters. Though ESAs and charter schools compete with public education, the request for these just show us that the public school system has left something to be desired. I'll be in contact with Delegate Riley Keaton, who is the only Roane County resident in legislature and I will be watching this legislation session closely.

1. Adjourn until the next regular meeting, Thursday, February 25, 2021, at 6:00 pm at Roane County High School

Motion by James Minney and seconded by Daris Harper to approve. Motion carried. (9:06 pm)
