Presentations

1. Positively Charged

We recognize John Gray, our Senior Sponsor, and the Class of 2021 for their presentation of their legacy gift this year. Raiders banners are attached to the light poles out front.

2. Public Participation

3. Student Achievement

According to statewide benchmarking, we outperformed the state average, but it still looks like our students are struggling in math. Our number one post-pandemic challenge in student achievement will be math.

4. Communications in the Open Enrollment / School Choice World

With the change in legislation for educational savings accounts, students that have been enrolled for a year, can now enroll at a private school or home schooling and state dollars will follow the child (approximately \$4600). This means that we have to improve our student achievement scores to show that our students perform well and market our schools to the public to recruit students.

Apptegy, a school communications platform, offers communications services and even marketing/design services, which our current School Messenger system cannot compete with. Many schools are now moving towards these types of platforms and this is something to consider for Roane County.

Reports of Committees

Superintendent's Remarks

We have seen some COVID-19 cases, mostly in the elementary level, but our safety protocols continue to hold. There have been some outbreaks in surrounding counties. The CDC has now changed their mask guidelines for individuals that are fully vaccinated, but we are still under the executive order by Governor Justice and hope they do not change before the end of the school year.

Many events are coming up soon. Summer SOLE program is starting June 14 with over 100 students already signed up and more expecting to be added. Counselors are now being hired and since we will not have the Energy Express program this summer, we will be adding a few more positions to the program.

Senior events are coming up. There will be a religious service offered on Tuesday evening for the Senior class. This event is not board sponsored or affiliated. There will also be a graduate parade on Wednesday afternoon and on Friday, weather pending, we will have the graduation ceremony. Also, Prom will be this weekend.

Since we did not have a traditional LSIC meeting this year, we plan to have a simple discussion soon for each of the schools about what we can reflect on from this year. What worked? What didn't? And how we can learn from this for the next school year?

1. Adjourn until the next regular meeting, Thursday, May 27, 2021, at 6:00 pm at Roane County High School

Motion by Gregory Boggs and seconded by Daris Harper to approve. Motion carried. (8:15 pm)
