Reports of Committees

Roane County WVU Extension Advisory Board

Mr. Harper reported that they interviewed two candidates for the new agent in Roane County. WVU selected an individual and it should be announced soon.

Superintendent's Remarks

I have been appointed to the State Board Finance Committee. We met recently to discuss higher level issues and to help make sure that the State Board and the State Department have aligned visions of what is needed. We will put together proposals to take to legislature for them to consider.

There are candidates for the Professional Accountant / Benefits Coordinator position. We will be interviewing next week and are hoping to hire on the 20th.

The first construction meeting on the new Spencer Middle School was held last week. Some site work is completed and the first major utility relocation with a new gas meter installed.

Thursday and Friday next week will be the return of a more normal Black Walnut Festival. Shuttles will be running as they do at football games to help with any parking issues.

Motion by Daris Harper and seconded by James Minney to approve. Motion carried. (7:58 pm)

1. Adjourn until the next regular board meeting on Thursday, October 20, 2022, at 6:00 pm, location TBD.
