### **Reports of Committees**

1. Roane Jackson Technical Center Administrative Council (10/18/2022)

There was no new business, but we lost a cosmetology student. Hopefully her situation will change soon and she can rejoin.

The first tractor for the CDL program has been purchased for \$95k and we should receive some funding from the state.

We are finally approving bids from the water plant project and hope to start prepping now to do the work in late spring.

### **Superintendent's Remarks**

I attended an EDA meeting this afternoon. The big topic of discussion was the developments in Jackson and Mason Counties and now extending to us for a housing study. I spoke with Commissioner Corkrean after the meeting about our needs as a county. Mayor Williams spoke about what they will be studying here soon. We have lost many businesses here in Roane County over the past 30 years and we haven't seen this optimism about development here in a long time.

I will be in Bridgeport for the Superintendents meeting tomorrow morning. The Hope Scholarship is back on again. We certainly have to watch our enrollments closely.

Press reports so far have been that charter school enrollment is lower than the charter schools projected, but we should know this information soon since charter schools must also certify their enrollment.

### **Adjournment**

1. Adjourn until the special meeting / public forum and LSIC / BOE meeting to be held on Tuesday, November 1, 2022, at Geary Elementary Middle School, beginning at 6 pm.  
The next regular meeting of the Board will be Thursday, November 3, 2022, beginning at 6 pm at Roane County High School.

Motion by James Minney and seconded by Dennis Carpenter to approve. Motion carried.
