Reports of Committees

Superintendent's Remarks

Along with 41 other counties, we submitted our certified personnel data. So far, there are still 1100 ESSER funded personnel, but we all know that ESSER funds expire for 2024. Some of these positions may be absorbed by counties through other funding sources, but 1100 is a lot to absorb. We hope that those that are not absorbed, will trickle down to the smaller counties that need them.

Adjournment

Motion by Daris Harper and seconded by Eileen Richardson to approve. Motion carried. (8:07 pm)
