Reports of Committees

Superintendent's Remarks

We are opening bids for our internet access contract next Friday. We hope to get some competitive bids there.

We installed 4 network speakers at RCHS over Thanksgiving break. We heard from the LSIC concerning the intercom repair and we hope to get some SBA funding for that. I received a \$20,000 quote for analog equipment, but it may be more beneficial to spend the \$32,000 to update to networking speakers.

An energy savings company will be doing a no risk assessment on our buildings to advise us

on energy savings and will guarantee a certain amount of savings.
