Motion by James Minney and seconded by Daris Harper to return to open session. Motion carried. No action was taken in closed session. (10:28 pm)

This Summary Statement of Superintendent Evaluation for Dr. Richard Duncan was given on June 13, 2024: In accordance with WV Constitution Article XII, WV Code 126-143, WV Code 18-2, WV Code 18-4-6, WVBE Policy 5309 and RCBOE Policy 121, the members of Roane County Board of Education have completed their evaluation of Dr. Richard Duncan for the SY 2023/2024. Board members were provided a WV State Board of Education approved evaluation tool consisting of mutually agreed goals and objectives for Dr. Duncan, were approved on September 15, 2023. As required by code, the goal was to support the progress of the county strategic plan with one of the goals related directly to student achievement and performance of low performing schools. Additionally, the Roane County Board of Education established a 37 point evaluation across 9 separate categories related to required evaluation areas as set forth in WV State Code and WV State Board of Education Policy. Dr. Duncan provided the narrative response to these goals for all board members. The board collected input from stakeholders from public meetings, LSIC meetings and surveyed them. Each board member independently completed an evaluation document based on those responses. The board president compiled and presented one aggregate report to the whole board for discussion of the Superintendent's strengths and weaknesses, as well as the Board's own performance as the public body ultimately charged with the education responsibility of Roane County. During this formal evaluation, the Roane County Board of Education found Dr. Richard Duncan to have met and/or exceeded the standards set forth in all 9 categories set forth in the evaluation tool. Improvement in the future performance for both the Superintendent and the board were also part of this discussion. In respect to the required goals related to student achievement, the board established a measurable goal to increase by 5%, the proficiency in 3rd through 8th grade mathematics and English language arts. While considerable improvement is still needed to achieve this level of proficiency, solid improvement has been demonstrated as Roane County led the state in combined growth in reading and math in 2023. Additional Star 360 standard based data indicates gains by percentile rank nationally in 3rd through 8th grades with the only exceptions in 6th and 7th grade math. Improvement in future performance for both the Superintendent and the board were also part of the discussion. Changes to terms, benefits or salary were discussed but not finalized as Dr. Duncan's contract remains in effect until June 30th of 2025. This is Jeff Mace, President of Roane County Board of Education on behalf of all members of the board.

Reports of Committees

Superintendent's Remarks

If the fire marshal does a walk-thru on June 25th, as scheduled, we will be permitted to occupy the new Spencer Middle School as of that date.

We will move quickly after tonight's approval of architectural and engineering services for the new MIP project. At our next meeting, I will be asking for the approval for an RFP to pursue a possible energy savings contract to help fund our next set of building improvements.

Adjournment

Motion by Daris Harper and seconded by Eileen Richardson to adjourn until the next regular meeting on Thursday, June 27, 2024, at 6:00 pm at the new Spencer Middle School. Motion carried. (10:49 pm)

1. Adjourn until the next regular meeting on Thursday, June 27, 2024, at 6:00 pm at Roane County High School.
